New for the System 700 series of fittings is an extended support hinge that can be used in conjunction with existing hinges with extended leaf.

The supporting hinge No. 7783 to be used in conjunction with our existing hinge with 12mm extended leaf, PN No. 0346.

This gives additional support and can be used on larger door frames more than 1000 mm wide (subject to weight restrictions).

The support hinge is available in Silver and hot dip galvanized.
